## Terms and Conditions

9

Midsummer Night Swing makes every effort to present each event of the season, as long as weather allows. Performance cancellations due to inclement weather will not be announced until 8:30 pm on show night. In the case of a cancellation, passholders are entitled to an exchange for another performance, provided that the passholder has not exceeded sixteen single admissions. If a performance has begun and is canceled after 8:30 pm, exchanges are not offered.

10

Season passes are nonrefundable—they hold no cash value. This is a revocable license to attend Midsummer Night Swing events. Lincoln Center reserves the right to revoke that license, to refuse admission, or eject any person for violation of the law or the terms or conditions hereof, including disorderly conduct or unlawful resale; not valid after 7/14/2018. All artists and programs are subject to change without notice.
