

Parking Information Administration Entrance

As you drive down 600 Museum Way, stay to the right and curve around in front of the Museum entrance. There are three sections of parking spaces close to the Museum: Upper Parking Deck, Outer Lower Parking Deck, and the Lower Parking Deck (covered).

- You'll park in the Lower Parking Deck and will walk toward the administration entrance where Jackie will buzz you in.
 - The administration entrance is in a corridor between the Lower Parking Deck and the Administration building.
- Once you enter, you will be in the Library. This is where your party will meet you.
