We did an extensive audience/constituent survey on readiness and willingness to attend in

person events. Based on the results and our own production timelines we are going back to fully staged operas in the opera house in February. in the meantime we are launching an outdoor festival that begins in 9 days, and have other small-venue gatherings planned

Pacific Opera sold tables for their event. Left it to the purchaser to take care of it for them.
- Tessitura Community 2
Stratford - scaled the house based on attendee dynamics. 1, 2, 3 etc. (They are a custom site. Not TNEW. Required customization to get people to purchase required number in "pod")
- Tessitura Community 2
Steve C. - Doing a table seating event coming up. Tables of 4 will be available. TSO did a similar thing for one of their events.
